

**Kentucky Oil Gathering Corporation**  
**Crude Oil Prices**  
**Effective June 1, 2017**

**June 1, 2017 Posted Prices**

Oil is purchased by county based upon the average daily price for the month. The price is the posted West Texas Intermediate Plains Marketing-All Other Areas Price (WTI), minus deductions. The WTI price can be obtained at [www.paalp.com](http://www.paalp.com). Company information and zone pricing can be obtained at [www.kyogc.com](http://www.kyogc.com).

**(NOTE: For previous years' price listings, please go to [Oil Purchase Prices for Previous Years.](#))**

The Split load pricing available is for loads from no more than two stops under conditions pre-approved by Kentucky Oil Gathering Corporation.

Payments will be mailed on the 20<sup>th</sup> of the month, except weekends, following the month the oil was purchased.

Excess water in the supply of crude will result in a charge for disposal for the water.

All volumes rejected by Marathon will be assessed an additional charge of \$3.00 per bbl.

If you would like an oil price for any other county of Kentucky, Virginia, or Tennessee please call us at 606-464-3841
